MEMORANDUM FOR: [REDACTED]

25X1

Executive Assistant to the DDCI

SUBJECT: Unauthorized Publication of Classified Imagery (U)

1. The Air Force has concluded an investigation into the circumstances of the unauthorized release of classified satellite imagery

25X1

2. In essence, the Air Force report provided to Chairman, SECOM, and in turn to me, concluded there was no deliberate unauthorized disclosure. Procedural errors by those elements responsible for reviewing the material before publication in the HASC were responsible for the incident--somebody screwed up! (U)

3. I conclude that opposed to the type of deliberate leaks we have seen in publications [REDACTED] this was a regrettable but non-deliberate act and at least the guilty parties have been located. Air Force has sent notices to the offices involved concerning the errors and made recommendations for corrective action. Accordingly, unless you desire further information, I consider the matter closed. (U)
